REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the limitations of "...a tape holding lengths of flexible string having end portions secured together to form flexible string loops and a source of compressed gas adapted to direct a flow of gas onto a string loop, the tap being directed toward the clipping device and the compressed gas impinging on the string loop so that the string loop is transferred into the entry and into the slot in the clipping device..." in claim 1 and "...transferring a flexible string loop from a tape into an entry to a slot in the clipping device so that when the food casing is closed with the clip, the clip draws the loop to the casing and holds the string loop to the food casing at two or more points along the string loop, wherein the string loop includes a knot and during transfer of the sting loop, a first portion of the string loop including the knot protrudes through the entry into the slot while a second portion of the string loop is held simultaneously to the tape..." in claim 25 are not found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
